Letter from the ED

"Summer is already better, but the best is autumn. It is mature, reasonable and serious, it glows moderately and not frivolously...It cools down, clears up, makes you reasonable..."

Valentin, Finnish writer

-Heather L. Soots, Executive Director

Alzheimer's Educational Series Night

This monthly meeting is for anyone whose family member or loved one is going through the journey of Alzheimer's disease. Each month a topic of interest is discussed and there is always a question and answer time. Our last sessions have been very informative and encouraging with topics including: dietary and eating challenges, the grieving process, financial pre-planning, and behavior problems that may occur with dementia and how to handle the unexpected.

*The next 3 sessions on topics and dates are listed below. Meetings are always **the last Tuesday of the month at 6:00 and located at Rosegate Commons Activity room.** Light refreshments are provided. Please feel free to stop in and join us. We want to encourage and support you and your loved one.*
